A beginner food gardening series for adults that want to garden on a budget! Each session will highlight practical, low-cost tips for building, planning, planting, maintaining, and celebrating the harvest of a successful vegetable garden. Hands-on demonstrations at each class. Family friendly-- childrens' activities available if requested during registration.

Free garden gifts per session and each family that attends the entire series will receive an EarthBox self-watering system- a \$50 value!

University programs, activities, and facilities are available to all without regard to race, color, sex, gender identity or expression, sexual orientation, marital status, age, national origin, political affiliation, physical or mental disability, religion, protected veteran status, genetic information, personal appearance, or any other legally protected class. If you need a reasonable accommodation to participate in any event or activity, please contact University of Maryland Extension @ 301-334-6960 at least 2 weeks prior to the class that you want to attend.
